

What we can offer...

A bright and stimulating learning environment with exceptional resources and facilities to promote learning.

Friendly, committed and approachable staff to ensure your child has the best learning experiences and the level of support they require.

Scoil Bhríde Ballydehob

Good relationships with families to guide each individual child through their primary school experience. We value excellent communication at Scoil Bhríde.

A warm and welcoming school at the heart of the community in Ballydehob.

A curriculum based on first hand and real life learning experiences that promote the development of skills. We adopt a blended learning approach with a major focus on play.

Outdoor facilities such as a Wendy house, outdoor activity centre's and a garden. We also have a great variety of outside space which is typically used for sports such as soccer, GAA, basketball & playground games.

An environment that promotes good behaviour and respect for both pupils and staff.
